

沈富雄 大放厥詞 劉寶傑 晚節不保

◎范湘濤

冷眼看2020的臺灣大選

去年九月,燕子颱風襲擊日本,臺胞在大阪機場沒有受到臺灣政府方面好的照顧,駐日代表謝長廷和大阪處長蘇啟誠都受到臺灣島內輿論的強烈不滿。謝長廷為了保官位,居然說自己離大阪五百多公里,根本管不到大阪辦事處,把責任都推到蘇啟誠身上,更惡毒的是他暗中指示其網軍對蘇採取人身攻擊,稱呼蘇為「國民黨的黨國餘孽」,最後蘇受不了排山倒海的壓力而走上自殺的絕路;謝長廷以為只要蘇去見了上帝,他自己在人間就可以平安無事了,但他忘了「天網恢恢,疏而不漏」,「多行不義必自斃」的天理,他調教出來的網軍頭頭楊蕙如,卑鄙下流行徑終於被檢察官抓到了,不難想像,謝長廷在第一時間就出來和楊切割關係,但走過的路必留下痕跡,他倆的關係怎麼推都推不乾淨的。

由最近的新聞報導指出,楊蕙如利用謝長廷、蔡英文和民進黨的關係,拿到許多政府標案,上億元的資金,足夠她養一大批網軍,在網路上帶風向,指鹿為馬,橫行無忌,已經到了「順我者昌,逆我者亡」的地步;在民調上要手段,把賴清德和韓國瑜原來大幅領先弄到後來的大幅落後;在聲量上玩把戲,把柯文哲原來的超高人氣弄到後來的默默無聞;把黑的說成白的,讓你領教到什麼是「有錢能使鬼推磨」。

當韓國瑜的民調被民進黨網軍打壓得喘不過氣來的時候,他再一次施展了他的韓式戰法,他不做,二不休,乾脆叫他的支持者在接到民調電話時也謊稱自己會投票給蔡

英文,如此一來,民調的結果就毫無意義了,釜底抽薪,「你玩我」變成了「我玩你」,玩得極其高明,民進黨被他一玩,才曉得韓兔子原來不是草包,他只是在扮豬吃老虎!

網路只能帶風向,必須透過媒體推波助瀾才能把民進黨的骯髒醜態發展到淋漓盡致,像三立、年代、民視這些惡名昭彰的民進黨附庸來為虎作倀也就罷了,連東森新聞的「關鍵時刻」,劉寶傑也請來一些像吳子嘉、李正皓、黃創夏等一批嘴裡吐不出象牙的黑韓名嘴跟著攪和,把「關鍵時刻」變成了一個大型的潑糞場所,筆者真的為劉寶傑的晚節(傑)不保(寶)覺得十分惋惜。趙少康的「戰情室」最近有了些轉變,請來的名嘴們沒有繼續酸韓,但有一個老不休沈富雄是個例外,他明知民調不是檢驗選情的唯一方法,卻硬要以民調為根據,大放厥詞,預言蔡英文會贏韓國瑜兩百五十萬票。這個沈不休,為了預測選票數字,不知道輸過多少次,趙少康還讓他繼續在「戰情室」扮演選情專家,是否有失公允?筆者依據過去臺灣五次大選的投票結果和韓國瑜在臺灣各地的造勢活動看,比較相信謝龍介推算的結果,就是韓國瑜在2020大選中會以九十萬票勝出。以下是筆者的推算法:2020年大選,臺灣有投票權的人數約為18750000,以目前選情的激烈程度看,投票率應該可以達到2000年的投票率83%,以其為準,明年的投票總數約為15562500,蔡英文應該可以保持上次的得票數6890000,宋楚

瑜得票數為上次的一半,約850000,投票總數減掉蔡宋票數,7822500將是韓國瑜的得票數,韓國瑜可以贏蔡英文930500票,與連介仙的算法幾乎不謀而和。準不準?明年一月十一日可以一翻兩瞪眼!筆者在此要以本人的估票數挑戰沈富雄這個老不休的估票數,誰差得多誰公開認輸,並在對方禱禱下爬三圈,不知道沈大佬有沒有LP接受區區挑戰?

蔡英文的總統專機走私香煙案發後,她要記者們不要無限上綱,陳明文的三百萬元現鈔案被查後,她同樣要求記者們不要無限上綱,現在的楊蕙如網軍案被公訴她也要記者們不要無限上綱。其他的如慶富案,遠航案,陳菊負債三千億案,都不讓司法偵辦,完全一付「老娘說了算」的態度;幾個國民黨的立法委員到外交部查詢,外交部居然動用五百警力在外阻擋,內政部的次長在公開場合居然教導人民如何投票給蔡英文和民進黨,完全失去了民主風範;種種惡行,已經引發島內有識之士全面反彈;高雄法官裁定韓國瑜在香港拜訪中聯辦沒有叛國罪,臺北檢查官此時此刻起訴楊蕙如,只是有良知的人群反擊民進黨的冰山一角,明年一月十一日才是民進黨滅頂之災到來的時候。大家努力,下架蔡英文,趕走民進黨,讓韓國瑜為中華文化在臺灣留下一線生機,為海峽兩岸和平帶來希望,為臺灣同胞創造更好的生活環境!大家加油!

撥「亂」反正的中華民國保衛戰

◎孫大衛

台灣今年的年度代表字選出為「亂」也正好和香港局勢相互輝映,但不同的是香港是人民製造混亂而台灣是政府唯恐天下不亂,所以2020的總統選戰的確就是一場中華民國的保衛戰,也是攸關台灣人民能否撥「亂」反正的一戰,去年底台灣縣市長選舉民進黨大敗而美國的許多媒體竟然毫不掩飾的以「我們」輸了為標題來報導,美國表面上不是要兩岸保持對話以維持和平,怎麼會矛盾的把國民黨的勝利視為中國的勝利?還是證明了美國骨子裡希望中華民國滅亡?

更諷刺的是在中華民國總統大選的場子裡,一邊是旗海飄揚另一邊則是看不到一支國旗,而蔡英文不是才大言不慚的說過中華民國不是只屬於一些人的,怎麼想連任中華民國總統的總統卻連一頂中華民國國旗的帽子都沒有?可以動用國家上億的民脂民膏來養其中一支私用的網軍卻不願花一支十塊錢的國旗來表達對國家的尊重?可以動用國家機器暗中操控台灣百分之八十的各種媒體、民調舖天蓋地的抹黑矮化對手,卻連總統辯論硬要處心積慮的指定一個深綠媒體來主辦。

去年民進黨敗選蔡英文不但沒有謙卑的反省,反而傲慢指責是人民

兩害相權取其輕

◎謝芷生

以年齡而論,筆者應早已能看淡世事,對2020年台灣大選的結果無需執著了。但自1970年參加保釣運動起,心中就一直牽掛著兩岸的和平與前途。尤其每逢台灣四年一度的大選,更是為之牽腸掛肚,一刻也輕鬆不起來。其實筆者一介平民,對政治並不感興趣,從無參政的念頭,甚至在大學唸書時,連社團活動都不願參加。然而這並不影響個人對國家民族的熱愛與關懷。

韓國瑜的名字自去年「九合一選舉」起,就進入我的心靈,成了不得不牽掛的部分。其實我與他素未平生,政治理念也不盡相同。若從台灣政治光譜的分類上來說,他應是藍的,而我則可能會被歸類為紅的,雖然我與共產黨並無關係。我與大部分「老保釣」相同,是社會主義與新中國的堅定支持者,是個堅決的「統派」。因此在兩岸問題上,不僅支持兩岸同屬一中的「九二共識」,也支持以「一國兩制」的方式,來處理兩岸融合與統一的問題。而韓國瑜卻是反對「一國兩制」的。他曾

公開聲明,「要接受一國兩制,除非踩過他的屍體」。此言令許多統派大感失望,幾乎要棄他而去。因此嚴格說來,他在筆者心中,算不上是個真正的「統派」。至少目前是如此吧。

然而我們為什麼還願意在大選中支持他呢?這就如本文標題所示,是基於「兩害相權取其輕」的考量。韓國瑜雖與我們理念不盡相同,但他的中國民族意識還是清晰可辨的。他不至把日本或美國奉為祖國,也是不容置疑的。這就與目前在台灣執政的台獨政權,有了本質的差異。尤其他能獲得廣大庶民階層的由衷擁護,絕非偶然。人民的眼光與判斷力向來是可靠的。人民的願望就是我們應努力的方向,我們怎會反對庶民所喜愛,所擁護的人呢?

台獨政權的貪污,腐敗,無能,倒行逆施,早已到了民不聊生,人神共憤的地步。再任由他們如此胡作非為下去,台灣非完蛋不可。而經國先生,與同一時期諸前輩辛苦創造的成就與果實,就要完全葬送在他們手上了。因此目前「下架台獨政權」已成了台灣與海內外華人的共識。

民進黨會淪落到今天這步田地,並非無跡可尋。雖然他們創黨的元老中不乏有理想之士。但其骨幹分子自始便帶有濃厚的地方主義色彩。他們歧視排斥「外省人」,甚至眷戀日本的殖民統治,不願接受日本戰敗,台灣光復的史實,仍沉醉於過去台灣民的特殊身份。尤其1988年李登輝獨攬大權後,更加速了他們在精神上回歸日本的進程。

我們並不認為皇民或漢奸的後代,就無可救藥。出身是無法選擇的,而後天的政治立場,卻完全是可由個人決定的。因此我們不應歧視出身特殊的人,而他們本身更沒有自卑的必要。重要的是能導正人生觀,選擇與人民,與國家民族的利益站在同一立場。若他們仍執迷不悟,堅持錯誤到底,則統獨對決的時機便將被迫提前來臨了。我們無需驚慌,只要團結一致,堅定信心,號召大家把手中的選票一致投給韓國瑜。這是目前唯一能「下架台獨政權」,使台灣重見光明的途徑。雖然韓國瑜上台後會怎麼做,我們尚法預判,但至少不會給台灣帶來迫在眉睫的危險,則是可以斷言的。

贈言美國政客

Letter to President Trump - Why Signing S. 1838 Hong Kong HR and Democracy Act Is Wrong!

His Excellency President Trump:

You are confronted with many important matters every day and your time is too valuable to read trivial letters. This letter concerning the Hong Kong HR and Democracy Act (S. 1838) however is important to American citizens and to you. I voted for you in 2016 and I believed that you were sincere saying you will make America strong again. The HK HR&D bill both Congress and Senate passed may have originated with a good intention, but the bill does not represent the real truth about Hong Kong's protests. Signing it into law would leave the U.S., our legislature and you, the 45th President, a terrible legacy. I hope my explanations below will convince you of that so you will maintain your own stand on the Hong Kong issue.

Hong Kong was and still is a free port. Britain's colonial rule of HK was beneficial to U.K. but never was to promote democracy. When the 100 years 'forced lease of HK' was up and China became stronger on her own feet, Britain reluctantly returned HK to China in 1997. But Britain did not really return HK to China, she sold most of HK's land to a few tycoons (four families) before departure and initiated a 'HK democracy' for China to accept. As a successful property developer, you can appreciate if four families own 90-95% of HK's land how powerful they could be. China had to agree to a 50 year 'no touch' condition to get HK back in the name of sovereignty. HK remained as a Free Port and continued in prosperity but mostly for the tycoons who control the financial market, industries, media, trades and real estates, leaving the six million plus HK ordinary citizens living in 'smallest apartments' compared to those in most world's metropolitan. This is not just a wealth gap problem, scientists have proven that if one put rats, monkeys, ...in an overcrowded space for long time they would go insane and become violent. This may

Mainstream and Organic Views
Dr. David Wordman

explain why kids 13 and 14-year old became violent on the streets.

HK's recent demonstration originated from protesting over an amendment of an extradition law HK has with most countries and territories except Mainland China and Taiwan. When a HK young man killed his fiancée in Taiwan escaped back to HK avoiding criminal justice, it motivated HK government to propose an amendment to include Taiwan and Mainland in its extradition law. Why would innocent young people protest against this extradition bill and eventually evolve into a six-month long movement with dwindling mass but increasing violence? The HK criminals and spies certainly do not want the extra extradition law so they instigated the protest and broadened the issues to political and economic arena to lure more people to vent their grievances. However, the sustaining forces supporting the protests turning to riots are the wealthy tycoons, their elite employees and their foreign friends. Their support is real and substantial in terms of material supply (helmets, weapons, food, and even stipends), media (including newspaper and TV Ads) and foreign connection and sympathizers (through lobbyists and activists). HK newspaper Apple Daily owner Li Zai Yin can come and go from HK freely even able to get an audience with your VP Mr. Pence for HK matter actually indicates to us that HK is not lack of freedom.

HK People has more freedom than any law-abiding citizens in the world as shown by their lengthy and violent protests nearly unpunished. HK has a great healthcare system with government going out of their way to support expensive drugs to HK citizens

(for example, paying \$750,000/yr Spinraz for spinal muscular atrophy patient). HK citizens have improving democracy in past twenty years than they ever had (example, HK legislature denied CPC's wish to prescreen candidates running for the top HK executive position). What HK people really need is improved living condition and business opportunities but the tycoons have cast a political goal for them - HK (really the tycoons) wants the suffrage right. Why? The tycoons through suffrage could control the government all the way to the top. (Currently, they can only control a few legislators. They would like to establish that full control before the 50 years 'no touch' promise the CPC government made expires. I am not surprised that the 'HK Democracy' bills passed in our legislature have HK lobbyists hands pushing them. All these facts and the HK riots as you recognized early on will eventually be known to the world and become recorded history. The HK HR&D Bill would become a laughable joke if the executive branch would ever use it.

The final outcome and consequence of HK's protest is most likely to be resolved with government negotiating and compromising with the protesters but with assurance that the people's welfare not the tycoons' benefits are protected. At this point, there is no real leader of the rioters can be identified. Why? They are hiding behind not willing to be exposed who they really are, who they work for and whose interest they really represent. So one outcome will be that all the violent rioters are eventually put behind bars according to HK's local laws and no one is coming forward or qualified to negotiate the political demands. The HK Government will most likely focus on policies to improve HK's housing problem. Although the HK tycoons are richer than most small countries but their assets are too large in HK to be abandoned or to be risked away. The final outcome for them is to either move most of their liquid asset away from HK (as some have already done) or hope that the HK legislature system will not tax their huge land and property holdings to an unbearable extent.

HK has got a social problem but freedom, human rights and democracy are not lacking. Signing S. 1383 into law can only cast the U.S. in a bad light and invite other developing countries (many envy HK) to view us as hypocrites. Mr. Honorable President, please take your own stand!
