

# 高市早苗時代開始中日關係緣盡於此

中日關係最早的證物是東漢初期漢光武帝劉秀頒賜給倭奴國使者的印章「漢委奴國王」，一直到唐朝初期，中國稱日本為倭國。日本派出大量遣唐使全面學習唐朝制度、律令、佛教、建築、服飾，文化上高度仰慕大唐，稱為大唐天朝。

1853年美國海軍准將佩里（Perry）率領四艘黑船軍艦抵達日本，日本幕府無力抵抗，被迫簽下喪權辱國的不平等條約，日本失去了司法及關稅自主。幕府內部崩潰，認為必須接受西方。1853-1877是明治維新的時代，堪比清朝的洋務運動。在木戶孝允、坂本龍馬、西鄉隆盛、伊藤博文的領導下，日本明治維新成功，成為強國，中國洋務運動失敗，仍然羸弱。

1894年的甲午戰爭是東亞近代史的巨大分水嶺，它不只是中日之間的一場戰爭，而是清朝衰敗的正式宣告，日本明治維新成功的強國認證。接著1900年八國聯軍，日本出兵最多，辛丑條約日本獲賠最多。跟著1931年中日抗戰，300萬官兵，3000萬人民遭受殺戮，中國被大日本帝國踩在谷底。

1945年8月美國在廣島、長崎分別投一顆原子彈，日本8月15日對外宣布投降，9月2日在東京灣美國「密蘇里號」戰艦正式簽署降伏文書。美國用核子武器瓦解了大日本帝國。

不久小日本帝國又在經濟上興

## ◎戚嘉麟

起，尤其是汽車業電子業超越美國。1985年日本GDP到達美國的33%，是德國的兩倍，成為世界第二大經濟體。美國逼迫日本簽署廣場協議，使日圓大幅升值100%，從240兌1美元升到120兌1美元，日本經濟崩潰，失落至今四十年沒有起色。美國用金融武器瓦解了日本小日本帝國。

從此日本成為美國最忠誠的附庸國，忠誠度比北約國家更高。在美國對中國半導體產業實施出口管制後，日本隨即配合，對中國限制出口多項關鍵半導體材料與設備，包括光刻機、光刻膠、清洗液、塗佈顯影、矽晶圓等核心製程物資。美國全面制裁俄羅斯，日本第一個跳出來猛烈制裁俄羅斯，斷絕了油氣能源、汽車產業、軍工產業、金融銀行、半導體、精密設備、航空零件及造船設備。

日本儘管對美國謙卑躬屈，轉過頭來對中國的嘴臉永遠不屑。中國的GDP在2010年超越日本，如今2025年約為日本的4.5倍，成為日本眼前的龐然大物，但是日本仍然視中國為落後國家。中國強大的陸海空軍直逼美國，日本始終認為這是1894年的滿清政府，1937年的國民政府，不堪一擊，仍然祈盼著自衛隊能夠重溫1894年甲午戰爭的舊夢。

二戰以後中日關係雖有起伏，其實兩國無論政府或民間都算不上友好關係。如今日本的右翼軍國主義再起，依附日美相互合作與安全保障條

約、加上擁有強大的民粹支持、日本企圖積極揮脫和平憲法、軍費已經增加到GDP的2%、配置了美製戰斧巡弋飛彈（Tomahawk）、並部署自製的長程巡弋飛彈（12式增程型）、在南島島裝置了導彈、在西南諸島一直到離台灣僅有110公里的與那國島都裝置了導彈、推動改變非核三原則、派出1000名官兵與菲律賓加強軍演、並與德國的防長勾搭結盟等等。一切以配合美國，針對中國為戰略目標。

終於高市早苗擔任首相後，迫不及待的在2025年11月7日的國會答詢中，公開講出「台灣有事可能構成日本的存亡危機事態」，被外界解讀為「台灣有事，日本有事，可以出兵」。如此公然干預中國內政，中國不再忍讓，立即嚴厲反擊，並引用聯合國憲章中存在允許對二戰戰敗國採取軍事行動的敵國條款、大規模禁運2005種軍民兩用物資及稀土相關技術與材料、制裁了40家日本軍工企業，其中20家立即生效，20家嚴密觀察、勸阻中國的赴日觀光客及留學生、全面禁止日本水產品進口。加上中國戰機以雷霆鎖定向演習區的日本戰機、中國海警驅逐闖入釣魚台海域的日本漁船瑞寶丸、日本自衛隊軍官村田晃大持刀闖入中國駐日大使館企圖刺殺中國外交官、日本浪人常在街頭衝撞打中國遊客等一系列事件。日本把與中國的外交關係從「最重要的雙邊關係」降級為「重要鄰國」。日本人仇中反華的心態及軍國

推進中美相互瞭解合作 促成海峽兩岸和平統一 倡導和諧平等多元世界

主義民粹的情緒都達到了高峰。

日本這個缺乏資源、能源、糧食的島國，經濟低迷了40年，重要的產業僅剩汽車製造、觀光旅遊、動漫視頻以及精密器材。但是汽車製造固守在燃油汽車，押注在氫能汽車，都被中國的電動汽車逐漸取代。尤其最近美國濫暴漲，油源恐慌，更帶動中國電動汽車的全球銷售，接近600萬從業員工的日本汽車已經江河日下。觀光旅遊受到中國遊客大量減少，營業收入降低了40%，如果長期堅持，日本的觀光產業從此一蹶不振。日本除此之外已無支柱產業，精密數位車床被中國逐漸取代，僅剩半導體產業的零星設備及精密材料領域依然執牛耳，但中國正在逐步擺脫對日本的依賴，首先中國要削弱日本的經濟實力。

中國已經禁運了2005種軍民兩用物資材料、制裁了40家日本軍工企業，其中20家立即生效，20家嚴密觀察。正在考慮擴大稀土出口限制，包含稀土元素、永磁體、關鍵礦物等，這將衝擊日本軍工產業及經貿關係。以中國的工業體量，中國可以完全脫鉤日本，日本卻必須仰賴中國，中國

有能力打垮日本經濟。

大和民族特別崇拜強者，殘酷欺凌弱者。因為美國用核子武器，金融武器兩次打敗日本，如今在日本駐軍55萬人。日本對美國的恭順，諂媚也達到極點。日本的首相一個不如一個。比起大日本當年的伊藤博文，東條英機，如今的日本高市早苗訪問美國，奉獻730億美元投資、對川普卑躬屈膝、稱讚川普是最有能力治理世界的領袖、讚美他的兒子聰明英俊、和川普攬腰牽手入懷、個人在白宮恣意起舞。如此喪失國格，令人側目的日本，讓人唏噓不已。

在日本軍事活動增多的背景下，中國憑藉成熟的軍事力量與完善的預警能力，維持必要的防衛部署，即足以防範類似突襲珍珠港的風險，確保戰略安全。除了防衛戰略，中國必須維持軍事威懾，加大攻擊戰略，敢於動用強大武力。只因為中國未曾在軍事上輾壓過日本，造成今天日本對美國躬順，對中國傲慢。高市早苗以後的日本緣盡於此，中國必須持續經濟制裁，敢於不惜開戰，才能壓倒日本的狂妄，馴服日本，讓日本習慣中國回到大唐天朝的時光。

# 從“反戰旗手”到“戰時總統”

## 川普的立場轉變、金主網絡與家族利益的深度糾葛

2026年3月，當美國對伊朗的軍事打擊行動進入膠著狀態時，一個巨大的政治悖論懸浮在華盛頓上空：那位在2024年總統大選中憑藉「美國優先」和「停止無休止戰爭」口號贏得選民支持的川普，如今卻主導著一場可能引爆中東全面戰爭的軍事衝突。這場立場的劇變，不僅撕裂了他的基本盤，更掀開了美國政治中金錢、外交與家族利益交織的暗箱。要理解川普從「反戰者」到「開戰者」的轉變，必須深入探討以色列遊說集團的影響力、其家族在國防產業中的商業佈局，以及他的女婿庫許納在權力走廊中的關鍵角色。

### 一、競選承諾與執政現實的斷裂

回顧2024年的競選季，川普的勝選建立在一個精準捕捉選民疲憊感的敘事之上。當時的美國社會正處於通膨壓力與外交挫敗的雙重焦慮中。川普以「經濟鐵腕」和「邊境硬漢」的形象出現，反覆強調拜登政府將美國拖入了烏克蘭與中東的泥潭。他在造勢集會上向支持者保證：「我會讓我們遠離戰爭。我們不會再把美國年輕人的生命和數十億美元浪費在海外衝突上。」這種孤立主義與現實主義混合的論述，成功吸引了一個橫跨傳統保守派、藍領工人以及反戰左翼的「歷史性聯盟」。

然而，執政後的現實迅速與競選承諾脫節。在2026年2月與以色列發動對伊朗攻擊之前，已在三大洲的七至八個國家授權進行打擊或軍事行動（包括伊朗（2025 12日戰爭）、葉

門、敘利亞、伊拉克、奈及利亞、索馬利亞及委內瑞拉）。而這次對伊朗發動大規模空襲，讓川普最忠誠的「讓美國再次偉大」（MAGA）支持者中，也有超過半數認為他違背了當初的競選承諾。這種斷裂並非一夜之間發生，而是一個漸進且充滿矛盾的政策演化過程。

從戰爭爆發初期的混亂中可以清楚看到白宮內部立場的搖擺。2月28日，目標從最初只是呼籲伊朗人民「推翻政府」，到「摧毀伊朗軍事基礎設施」，再擴大到「要求無條件投降」。短短一週內，國防部長與總統本人發出的信號相互矛盾——一邊警告「這只是開始」，另一邊卻宣稱行動「已經相當完整」。這種混亂的決策模式，反映出川普在面對中東地緣政治時的妥協與被動。

### 二、內塔尼亞胡的陰影：以色列因素的真實份量

在解釋川普立場轉變的諸多因素中，以色列及其在美國國內的政治影響力被民主黨人及部分中東觀察家視為核心驅動力。伊利諾伊州州長、民主黨籍的普利茲克（J.B. Pritzker）曾發表一段極為尖銳的評論。值得注意的是，普利茲克本人曾是美國以色列公共事務委員會（AIPAC）的捐助者，因此他的批評更具內部視角的說服力。他直言不諱地指出：「川普根本不是執行自己的外交政策，他只是跟著納坦尼雅胡跳進了戰爭。」

普利茲克進一步揭露了一個關鍵的政治變化：過去向來以支持兩黨、但更傾向民主黨的AIPAC，在2024年大選期間發生了實質性的立場偏移。「AIPAC變成了一個支持川普的組織，」普利茲克說，該組織的龐大資金與動員機器在關鍵搖擺州為川普的勝選發揮了作用。雖然這不能直接等同於「金主買斷政策」，但它描繪了一條清晰的因果鏈條：為了在選舉中獲得強大遊說集團的支持，候選人需要在執政後以政策作為回報。

### 三、庫許納的復歸：白宮的「影子國務卿」

在這一輪美伊衝突中，一個熟悉的身影重回外交舞台的中心——川普的女婿庫許納（Jared Kushner）。在上一個任期內，庫許納就被賦予了遠超其「總統顧問」頭銜的權力，主導了《亞伯拉罕協議》的推動，該協議促成了以色列與數個阿拉伯國家的關係正常化。而在2026年的戰爭與談判中，他的角色更加核心。

根據白宮證實的信息，庫許納與總統特使威特科夫（Steve Witkoff）構成了與伊朗進行秘密談判的核心團隊。這意味著，一個沒有經過參議院任命、不屬於國務院體系、且與總統有直系姻親關係的人，卻在決定美國的戰爭與和平。

庫許納的影響力並非僅僅來自家族關係。他長期與以色列總理納坦尼雅胡保持緊密的私人友誼，同時在中東王室中擁有深厚人脈。在川普第一任期內，他主導的中東政策被批評為

「片面偏袒以色列」。如今，當美國的炸彈落在伊朗境內時，批評者認為庫許納的復歸象徵著白宮已經完全放棄了任何形式的中立調停者角色，轉而成為以色列戰略目標的執行機構。

### 四、戰爭經濟學：川普家族在國防產業中的利益糾葛

如果說川普本人對以色列的偏袒可能源於政治理念或選舉考量，那麼其家族成員在衝突期間的商業行為，則暴露了更為直接的利益動機。多項調查報導指出，川普的兩個兒子——小唐納·川普（Donald Trump Jr.）與埃里克·川普（Eric Trump）——正在大舉投資國防與無人機製造產業，而這些產業正是當前戰爭的最大受益者。

這種佈局的時間點引發了尖銳的道德質疑。當川普總統下令對伊朗進行打擊、從而帶動整個國防工業板塊的股票與合約價值飆升時，他的兒子們正好在相關產業中擁有巨額投資。這與其說是「巧合」，不如說是一種前所未有的利益衝突。一反在以往的政府中，為了避免被指控「以公謀私」，總統家族通常會將商業資產放入盲目信託，或至少在涉及相關產業的政策決策時進行迴避的做法。然而，川普家族不僅沒有採取任何隔離措施，反而在戰爭期間加速了在國防領域的商業擴張。暗顯示著家族商業利益與美國外交政策之間已經沒有明確的界線。

### 五、猶太金主的影響：量化難題與結構性權力

# No Kings

## Bernie Sanders

I was proud to speak today to 100,000 people at the No King's rally in St. Paul, Minnesota. Here's what I said.  
Thank you, Minnesota.  
And let me thank Indivisible, MoveOn, 50501, and all of the organizations that have made this event possible.  
And thank you to the millions of Americans, from our smallest towns to our largest cities, in every state in our country, who are gathering today at thousands of rallies.  
It is appropriate that we hold a major "No Kings Rally" right here in the St. Paul/Minneapolis area.  
When historians write about this dangerous moment in American history, when they write about courage and sacrifice, the people of Minnesota will deserve a special chapter for themselves.  
In the face of the unprecedented occupation of this city by ICE, Trump's domestic army, this community stood up and, with extraordinary solidarity, fought back. Minnesota showed the American people and the world what democracy is about, what grassroots activism is about, and what standing up for the American ideals of freedom and justice is about.  
And I want to thank my colleagues, Amy Klobuchar and Tina Smith, for their leadership in the Senate on this issue.  
And today, we remember and honor the two brave Americans, Renee Good and Alex Pretti — who lost their lives in the struggle — and we promise their family and friends that these two heroes will not have died in vain. Their sacrifice has inspired, and will continue to inspire, the American people in the never-ending fight for justice.  
As all of you know, we are living in an unprecedented and dangerous moment in American history. In many ways, the future of our country and the entire world is hanging in the balance — and the actions that we take now will determine what that future looks like.  
The choices that we face are clear. In the wealthiest country in the history of the world, and at a time of massive breakthroughs in technology, we now have the opportunity to create a nation in which ALL people can enjoy a dignified standard of living, where we wipe out bigotry and hatred, and where all of us can live in peace and participate in a vibrant democracy. Where the foundation of our nation is built on love, compassion, human solidarity, and an understanding, as former Minnesota Senator Paul Wellstone said, that we all do better when we all do better. That is one vision for the future — a vision that most Americans share.  
But there is another vision out there as well — a darker vision. It is a vision that says that we must give up on democracy, that we are too stupid and inept to govern ourselves, and that we must put more power into the hands of one man. It is a vision that says we should accept an economy in which a handful of Oligarchs have unbelievable wealth, while the vast majority struggle to put food on the table. It is a vision that says that the only thing that matters in life is the accumulation of money and power — and that it is okay if we lie, cheat, and steal to achieve those goals. It is a vision that says that we must hate each other because of where we were born, the language we speak, the color of our skin, our religion, or our sexual orientation. It is a vision that foments hatred and hatred. Division, division, and division.  
It is an Orwellian vision that says that we must live in a constant state of fear, that we must always have an enemy, and that we must always be at war. It is a vision that says that we have unlimited amounts of money for bombs and guns and for killing, but never enough money to feed our children, provide affordable housing or enable our parents to retire with dignity.  
Today, here in Minnesota, in Vermont, and in every state in the country, we say loudly and proudly that as Americans, we will never forsake our heritage. We will never accept authoritarianism, we will never accept oligarchy, and we will never accept a president who is a pathological liar, a kleptocrat, and a narcissist who is undermining the Constitution of the United States and the rule of law every day.  
We will never accept government policy that gives massive tax breaks to the billionaires, throws 15 million Americans off the healthcare they have, breaks

unions, denies women the right to control their own bodies, and is pushing the planet closer to a climate crisis.  
In the last year, I must confess, I have been thinking a lot about American history: about the men and women in 1776 who, with unbelievable courage, announced to the world that they would no longer be ruled by the king of England, who had absolute power over their lives. These patriots demanded freedom, and they fought a bloody revolutionary war against the most powerful military in the world to achieve that freedom. And they won.  
And after their military victory, they established the first democratic form of government in modern history. In 1789, they said loudly and boldly to the entire world: here in America, we don't want kings.  
And let's never forget the extraordinary words they left us: "We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness."  
And today, in 2026, our message is the same: No more kings. We will not allow this country to descend into authoritarianism or oligarchy. In America, We the People will rule.  
But let's be clear: This moment is not just about one man's greed, one man's corruption, or one man's contempt for our Constitution. This is about a handful of the wealthiest people on Earth, who, in their insatiable greed, have taken over our economy, have taken over our political system, have taken over our media to enrich themselves at the expense of the working families of our country.  
Never in American history have so few had so much wealth and power.  
Never in American history has there been such extreme levels of income and wealth inequality, with the top 1% now owning more wealth than the bottom 93%.  
Never in American history have we seen the super-rich expand their wealth so rapidly. Last year alone, after receiving the largest tax break in history, 938 billionaires in America became \$1.5 trillion richer. Trump, himself, became over a billion dollars richer.  
Never in American history have we seen a ruling class, within a corrupt campaign finance system, spend so much money to buy politicians. In the coming mid-term elections, the billionaires will spend many, many hundreds of millions of dollars to make sure that the government continues to work for them, and not for working families.  
Meanwhile, while the richest people become much richer, 60% of our people are living paycheck to paycheck, struggling to put food on the table, struggling to pay their rent and mortgage, struggling to pay for childcare and education, and struggling to put a few bucks aside for a decent retirement. Tens of thousands of Americans die unnecessarily every year because they can't afford to go to a doctor.  
And, unless we change how our economy works, our younger generation, for the first time in modern history, will have a lower standard of living than their parents.  
So today, we not only say NO to Trump's authoritarianism, but we also say NO to Mr. Musk, Mr. Bezos, Mr. Zuckerberg, Mr. Ellison, and all the other multibillionaires. You cannot have it all. We WILL create an economy that works for ALL Americans, not just the 1%.  
My friends, it's not just the authoritarianism of the Trump administration that we must combat.  
It's not just the Oligarchs and their insatiable greed that we must combat.  
Now, as the news of today reminds us, we have got to stop the out-of-control militarism of the Trump administration — here at home, in cities like Minneapolis-St. Paul — and abroad.  
Let's be honest. The American people were lied to about the war in Vietnam. We were lied to about the war in Iraq. And we are being lied to today about the war in Iran. This war must end immediately.  
In the last election, Donald Trump pointed out, correctly, the huge amounts of money that had been wasted in wars that should have been spent rebuilding America. He campaigned as a "peace candidate," and he promised no more "forever wars."  
One month ago, Trump and his partner, Israeli Prime Minister Benjamin Netanyahu, started a war with Iran. This war is unconstitutional. Trump did not seek or receive authorization from Congress. This war is in violation of international law. One sovereign nation cannot simply go about attacking another sovereign nation for any reason it chooses.  
Since this war began, 13 American soldiers have been killed, and hundreds have been wounded — including another 12 yesterday. In Iran, nearly 2,000 civilians have been killed and many more wounded, and 498 schools have been attacked by American and Israeli missiles.  
In Lebanon, more than 1,000 people are dead and more than one million

Lebanese people — 15% of their population — have been displaced from their homes. In Israel, 20 people have been killed and over 5,000 have been wounded.  
In the West Bank, Israeli vigilantes are burning down homes and killing Palestinians.  
At a time when gas prices are soaring, when many Americans cannot afford the necessities of life, it is estimated that this war has already cost us a trillion dollars.  
At a time when the American people are politically divided, there is one issue that is bringing us together. Conservatives, moderates, and progressives are speaking out in unison: NO MORE WAR.  
And as a U.S. Senator, I want to say a few words to you about what I intend to do about that.  
First, we've got to make sure that Congress does not send another \$200 billion to fight this war. That supplemental appropriation for the war in Iran must be defeated.  
Secondly, I will be forcing a vote on legislation to block the sale of nearly a billion dollars in weapons to the Israeli military for bombs and bulldozers.  
A nation that has committed genocide in Gaza does not need more military support from American taxpayers.  
We must block the bombs and block the bulldozers.  
My fellow Americans: We are all proud to live in a country that, throughout our history, has inspired people around the world to struggle for freedom, democracy, and justice. And we understand that when we stand together, and don't let demagogues divide us up, we can continue to inspire the world to believe in a brighter future.  
Yes, we can create a vibrant democracy by ending Citizens United and not allowing billionaires to buy elections.  
Yes, we can create an economy that works for every man, woman, and child in our country and not just a handful of billionaires.  
Yes, we can make certain that the revolutionary technologies of artificial intelligence and robotics are used to improve life for all of us, not just the wealthy owners of that technology.  
Yes, we join the rest of the industrialized world and guarantee health care to all people as a human right.  
Yes, instead of spending a trillion dollars a year on the military, we can wipe out homelessness and build millions of units of low-income and affordable housing.  
Yes, in the richest country on Earth, we can have the best public educational system in the world, with tuition-free schooling, from childcare through higher education.  
Yes, we can expand Social Security and radically improve our pension system so that every senior in this country can retire with dignity.  
Yes, we can raise the minimum wage to a living wage and guarantee every worker the right to join a union.  
Yes, we can guarantee that every woman in this country has the right to control her own body.  
Yes, at a time when billionaires are paying an effective tax rate lower than a truck driver or nurse, we can make certain that the top 1% and large profitable corporations start paying their fair share in taxes.  
My fellow Americans: The establishment, including the corporate media and many of my colleagues in Congress, wants you to believe that you are powerless. They want you to believe that you cannot change the status quo. But that's a lie.  
Throughout the history of our country, when Americans have stood up and fought for justice, they have prevailed.  
The founders did it when they stood up to King George.  
The abolitionists did it when they ended slavery.  
The working class did it when they stood up to their bosses and formed unions.  
The suffragettes did it when they demanded that women have the right to vote.  
The LGBT community did it when they demanded basic human rights.  
Time and time again, in difficult moments in American history, our people stood up, fought back, and won.  
They did it then. We can do it now.  
Today, March 28, 2026, millions of Americans are out on the streets demanding freedom, democracy, and justice. But we must make certain: Today is not the end of our struggle. It is just the beginning.  
Together, when we stand united, we will create the kind of nation that you and I know we can become.
